Dear Year 7 Parents and Guardians,

I am delighted to be writing to you with the details of two days that pupils will be required in school in coming weeks. On Monday 29 June and Friday 17 July school will be running for Year 7 pupils and there will be no online teaching delivered.

Whilst we are pleased with the online learning that the pupils are completing, we cannot underestimate the importance of having pupils in school for a couple of days before the summer. These two days are intended to support pupils with their mental health and well-being, to deliver some key learning in English, maths, science and humanities and for all pupils to have the opportunity to participate in some PE. Attending school will also be key in preparing the pupils for their return to school in September.

Pupils will be taught in groups sat at 'exam style' desks in order to best avoid any physical contact with others. They will be supervised by a teacher throughout the day and taught by subject specialists.

Pupils will need to:

- wear school PE kit to school, including trainers and joggers
- bring a packed lunch, snack and drinks as there will not be any canteen service available
- bring their own pencil case
- bring their homework diary and relevant books
- bring a packet of tissues

Pupils may choose to bring:

- hand sanitiser
- a face mask

Year 7 will be split into four teaching groups and will remain in the same classroom for their taught lessons, of which there will be three per day. Each lesson will be 1.5 hours long and will be a combination of a consolidation of learning, revisiting and re-teaching key 'tricky' concepts and planning for future learning. PE lessons will be taught at Trinity Road and pupils will travel there on the Green Bus.

On Monday 29 June lessons will be English, maths and PE or PSHE and on Friday 17 July lessons will be sciences, humanities and PE or PSHE. The school day will begin at 8.50am and end at 3.00pm.

The Green Bus are offering a flexible bus service to everyone in school from several areas; booking is necessary two days in advance. Please visit [www.thegreenbus.co.uk/flexibus/](http://www.thegreenbus.co.uk/flexibus/) for more information.
