Dear Parent(s) and Carer(s),

Re: School Closure

During today the school has received confirmation of a serious fault in its fire alarm, smoke and heat detection systems leaving a significant part of the site without coverage.

As a result, and to allow time for the necessary repairs to take place, the school will be closed to all pupils in all year groups on Friday, 20th September and Monday, 23rd September 2019.

**School will resume for all pupils in all year groups at 8.40am on
Tuesday, 24th September 2019**

Your son will be sent work to complete from the teachers of those lessons that he would have had on Friday and Monday; some of this may be sent to his school e-mail address.

I apologise for the inconvenience that this closure will cause but trust that all parents will understand that the safety of the pupils, staff and visitors while on the school site must be our absolute priority.

Yours sincerely,

C. Parker
Headmaster
